Summer—too hot, too bright and NO THEATRE!! Whew! Almost over! Lots of theatre staring up!

Thanks for all of you that helped make the parade a success this year. first a big thanks to Dave Carroll , Tim Driscoll, Pat McClean and Russ, also everyone else that helped, we could have not done it with out you! Thank you to Al, he did a lot to help us out this year when we couldn't be at the theater to build. Thank you so much for letting us use your wonderful space.

it was a really good parade this year and everyone did a wonderful job on the float, also no one had to carry the banner, it looked fabulous! The costumes were amazing and a joy to be in.

We took home the best comedic float ribbon! We beat the clowns woot! I hope that everyone that came out had fun and we hope to see you next year! We also hope to see a few new faces too! - *Lisa P.*

It was a very successful year financially so our mortgage was paid down again. He announced that we will be going to an online ticketing system. Also, at the request of members, informational meetings will be added to keep you all more current on club events. (See next page for events.)
